1. Vegan, biocompatible, safe, sustainable, anti-inflammatory
2. Immediately begins healing at the injection site
3. MCRX scientifically formulated Hyaluronic Acid supports PLLA as a natural contributor to cell regeneration of collagen
4. Arnica reduces swelling, bruising, soothes pain and discomfort
5. Vitamin K promotes wound care, improves skin barrier, reduces pigmentation
6. Squalene boosts hydration capacity and contributes antioxidants
7. Blue Tansy, sourced directly from Morocco, relieves redness, irritation, burning, swelling at the injection site
8. Calendula, Lavender & Rose Water decrease discomfort and gently cleanse for healing
9. Jojoba Oil for superior hydration levels and soothing

# POST-MICRONEEDLING

POST-PROCEDURE AFTERCARE FOR MICRONEEDLING | EXCLUSIVE TO MEDICAL PROVIDERS

## UPLIFT POST-MICRONEEDLING KIT

An aftercare regimen that targets redness, inflammation, bruising, and dry, hot skin.

### Face Mist

This invigorating mist soothes skin with calming Rose Water, Calendula, and Blue Tansy oil.

Spray on after treatments. May use daily for relief.

### Face Serum

Mitigate heat, redness, and inflammation with hydrating Jojoba and Blue Tansy oils. Apply to the face and neck in the morning and night.

### Face Cream

Smooth and velvety, our healing cream contains Hyaluronic Acid for ultimate hydration.

Apply in the morning and night for cell regeneration.

### Face Polish

Gently remove dead skin cells with anti-inflammatory, anti-bruising Blue Tansy, Lavender, and Calendula.

Use 4-5 days after treatment.

## KEY INGREDIENT

### BLUE TANSY

The main active ingredient in the UPLIFT line is a proprietary blend of Blue Tansy oil sourced directly from Morocco.

Blue Tansy reduces inflammation, redness, and the often-experienced hot sensation that follows microneedling procedures.

# POST-LASER

POST-PROCEDURE AFTERCARE FOR LASER | EXCLUSIVE TO MEDICAL PROVIDERS

## UPLIFT POST-LASER KIT

An aftercare regimen that targets redness, inflammation, bruising, and dry, hot skin.

### Face Mist

Use immediately in treatment room post-procedure to calm and soothe skin.

Use as needed to reduce irritation.

### Face Wash

Combat redness, bruising and swelling with this gentle post-procedure cleanser using our propriety blend of Blue Tansy. Cleanse face morning and night.

### Face Serum

Mitigate heat, redness, and inflammation with hydrating Jojoba and Blue Tansy oils. Apply to the face and neck in the morning and night.

### Face Cream

Smooth and velvety, our healing cream contains Hyaluronic Acid for ultimate hydration. Apply in the morning and night for cell regeneration.

### Face Polish

Remove dead skin with our nourishing Blue Tansy, gentle exfoliating polish. Use 4-5 days after treatment to transform skin.

AFTERCARE SHOULD NEVER  
BE AN AFTERTHOUGHT
